

Exercise D1, 11/19/04

Presentation Preparation

Task: Prepare the first draft of your presentation (target 8 minutes). You may do this by creating a Powerpoint slide or a “storyboard” (schematics/drawings with some notes). Try to follow the guidelines discussed in class. We will discuss your drafts during the next class meeting.

Presentation guidelines discussed in class (you may want to write them down below)

Submission methods for this exercise:

- If you prepare a Powerpoint slide (file), either send it to me as an attachment to e-mail one hour prior to the class time or bring it to the class on a floppy diskette or a CD-ROM.
- If you prepare a storyboard, bring the hard copy to the class.

Survey: Time spent between classes: _____
